EXAMINER'S COMMENT

This action is responsive to the Request for Continued Examination and Information Disclosure Statement filed July 21, 2005. The IDS has been considered and placed in the file.

Claims 13-21, 23-28, 58-65 and 74-87 are pending in this application. The claims are distinguish over the prior cited in the IDS. There being no other issues remaining, the claims are allowable over the art of record.

Concerning the publication "Cardica PAS-Port Proximal Anastomosis System 510(k)", the applicants has cited it as prior art, yet there is no publication date. The examiner has accepted the document as published prior art on the day (July 21,2005) it was submitted presented by the applicants.

For these reasons the examiner believes the claims are allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary Jackson whose telephone number is (571) 272-4697. The examiner can normally be reached on Mon.-Thurs. 7:30 am to 6:00 p.m.
